Sanitary Inspector.	One.
Field Assistant.	One.

Accordingly a provision of Rs.10450/- has been made in the Budget Estimate of the council for the working of the Scheme which consistes of Rs.7630/- being salary and allowances to staff and Rs.2820/- for contingencies and equipment. The Budget of the council has been passed by the Government in G.O.Ms.No.472 L.A dated 30-3-54 without any alteration to this item. In the circumstances I request that Government may be pleased to accord sanction for the continuance of the scheme at an estimated cost of Rs.10450/- for the year 1954-55 and to sanction grant equal to 1/3rd of the expenditure calculated on the provision made.
